**E-xpress
Lead Scotland Survey**

Dear David

Welcome to the July E-xpress - keeping you up to date with the latest developments in Adult Education across Scotland.

One of our members, Lead Scotland, who specialise in linking disability and education, is working to assess their long-term future and they have asked us to help circulate a survey.

This questionnaire is part of a process in looking at the long-term future of Lead Scotland and your assistance in completing it will help them to get a clear picture of what is currently happening in Scotland and where (or if) Lead Scotland should be placing itself for the continued delivery of services.

To those who have already received this, apologies for any cross posting. Also, please do feel free to circulate to anyone that you think may have some information that would be helpful, as Lead Scotland is aiming for a comprehensive circulation so that they can get a picture from as many different perspectives as possible.
